Babywearing Cover Softshell Vario

Article number: TCsoft vario

DESCRIPTION:

The mamalila cover from supple softshell is the quickest and easiest solution to go out in the wind and rain while babywearing, allowing parents to take it in turns to carry without having to invest in a babywearing jacket. It is wind and water repellent, with a light fleece lining – and particularly versatile: depending on whether the baby is being worn in a wrap or a carrier, the straps of the cover can be varied and perfectly adapted to the situation.

HIGHLIGHTS:

- ✓ **Suitable from infancy through toddler age via adjustable width and length**
- ✓ **For front and back babywearing and all types of carrying systems**
- ✓ **Side straps to fix the cover direct on body to protect against draughts**
- ✓ **Baby hood that folds in stages, which can also be rolled up as a neck support**
- ✓ **Colour coded click fasteners make it easy to use**

COLOURS:

navy, teal, black

SIZES:

The cover will grow with the child and can be used up to 2 years, thanks to variable snap closure
